MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI CHANDRA SEKHAR SAHU)

(a)&(b) No Sir, Government of India is regularly reviewing implementation of the programme and extending necessary technical guidance to the project authorities to enable them to effectively implement Total Sanitation Campaign (TSC) projects. A detailed monitoring system has also been put in place for the purpose. It includes on line monitoring of progress, monitoring through independent agencies- District Level Monitors and National Level Monitors and field visit of officers of the Ministry of Rural Development.
